B. Reading Comprehension (16 Marks)

16

Read the following passage carefully, then answer the questions below:

There were two brothers who lived near the forest. The elder brother was mean to his younger brother. He used to eat up all the food and take all his good clothes. One day, the elder brother went into the forest to find some wood. As he went around **chopping** the branches of trees, he found a magical tree. The tree said to him, "Oh kind sir, please, if you leave me, I will give you my golden apples." The elder brother agreed.

The tree gave the elder brother a few golden apples, but he wanted more. He threatened to cut the tree if it did not give him more apples. The tree instead showered him with hundreds of tiny needles. The elder brother lay on the ground crying in pain.

The younger brother was worried and went to look for his brother in the forest. He found him with hundreds of needles on his skin and an apple in his hand. He removed every needle carefully. The elder brother apologized. He promised to be kind. The tree saw the change in the elder brother's heart. **It** gave them many golden apples.

A) From a, b, c and d, choose the correct answer: (6x 2= 12 Marks)
